10 Date and signature

## Requirements to registration of the article

It is accepted articles of two – eight pages or more, both individually and by a team of authors.

Articles are typed in editor Microsoft WORD (file extension - .rtf or .doc) with the following installations: top margins - 2 sm, bottom margins – 2 sm, left margins – 2 sm, right margins – 2,5 sm. Style is normal. Line interval is single, alignment mode is in width, automatic transfer. Font is Times New Roman Cyr, size 14 (for the main text), 12-for additional text (tables, list of literature, etc.). The names of figures and tables are also formed by font Times New Roman, size 12.

Tables should be done in WORD. Figures, diagrams and graphs should be black and white, barcode, without half-tones and shading. Name and number of figures are specified under figures in the middle. In figures it is necessary to provide 1,5 fold reduction. Additionally figures are presented in special files in one of the following formats:.jpeg, .tiff.

Files should be named on the surname of the first author.

The name of the article is printed in capital letters, bold font, center alignment.

Lower through one interval in italics it is printed author's surname and initials (left alignment). Then hyphen academic degree and title, position (it should be mentioned department, laboratory). Then it is mentioned the name of organization. Then through one interval it is given summary, key words and the article itself.

References to the literature should be in square brackets.

ATTENTION! The list of literature is necessarily. The list of literature is done in alphabetic order with GOST 7.1-2013.

Not allowed:

- pagination
- using sparse or compacted inter-letter spacing.

Articles design in violation of the requirements won't be considered and published.

We kindly ask you to check the files for viruses before sending. The electronic version of the materials should be sent on the e-mail address of the organizing Committee of the conference, the letter must attach a confirmation of payment.

Organization Committee:

Kalashnikova Tatyana Valerievna, main scientific worker, chairman of council of young scientists VNIIkonevodstva,
